

Can't boil water, or even crack eggs?
Your cookies aren't gooey—And not even home made

Don't fret any longer we've got a solution
And considerably cheaper than culinary school tuition

Buy a Legacy Cookbook—it will solve all your woes
With interesting recipes keeping you on your toes

Want to make "Piggy Pudding" or something with
"nanners"
Then look up these recipes — its all that matters

\$12 per copy—A really hot buy
And then learn the secret of peach d. pie

These are the dishes of employees past and present
Good southern cooking that doesn't include pheasant!
